AOC – Advancing Electromagnetic Warfare Together

AOC Stand briefing notes - FAQ as noted by AOC stand staff

Why “Old Crows”?

Norse myth – Odin used two ravens as his all seeing eyes around the world. Rather like radar, thus in WW2, US EW aircraft call sign was Raven – thus Crows (refer to AOC flyers).

I am already a member. Can I renew today using the show discount? If I rejoin today at an AOC event do I get a discount and when does my renewed membership start?

Are any nationalities/countries forbidden from joining the AOC? Which ones?

There is a US State Department List that includes countries like Russia, PRC, N Korea, Iran, Syria, etc. Individuals or companies on the list are excluded from becoming members or attending AOC events like AOC EW Asia and Europe, or, indeed any AOC event anywhere, including webinars.

It is scanned, encrypted and sent to AOC HQ for processing. The membership secretary will write to you at the email address you give, with your membership details. Alternatively: www.crows.org/page/membership

AOC will process the registration once the encrypted file is received. Once the file is received they should have it in the system within 24 hours.
